

Welcome to Porvoo!

Invitation

The Porvoo Communion Pastoral Conference 2016 is hosted by the Evangelical Lutheran Church in Finland and will be held in Porvoo from 1 to 6 September.

The ecumenical document "Porvoo Common Statement" received its final form in the autumn of 1992. Its objective was to create church communion between the Anglican Churches of Great Britain and Ireland and the Lutheran Churches in the Nordic and Baltic countries.

The Porvoo Agreement containing the common statement was signed in the autumn of 1996. Therefore, 2016 will see the 20th anniversary of the Agreement.

The theme of this year's conference is **Extending hospitality beyond our comfort zone**. During the conference we will approach this theme from biblical, academic and grass-root level perspectives.

Participants to the conference are appointed by their national churches and/or their clergy associations.

Accommodation

The conference participants will be accommodated with host families.

Cost

The conference fee is 250 € and includes all meals and excursions.
